Hiring Manager,
EMRE solutions,

Dear Hiring Manager,

I'm writing to express my keen interest in the internship opportunity at EMRE Solutions with my frontend and programming skills,I am a btech 3rd year student in ACE engineering college,I am enthusiastic about the opportunity to contribute to your distinguished team and to enhance my practical knowledge in web development.

Enclosed, please find my resume which outlines my academic accomplishments and relevant skill set that I believe will contribute positively to your team,

Thank you very much for considering my application.

I am keen to discuss how my passion for web development,commitment to excellence and skills I have developed thus far can be of value to ESRE solutions.

I am available for an interview at your convenience and look forward to the possibility of contributing to your esteemed team

 Based on the posted description, I'm confident that Iam qualified for the position and will be an addition to your team. I would appreciate a internship interview at your earliest convenience.

Please find my resume attached.

I can be reached at the number above or at my email address.

Sincerely,

K.SUSHMITHA
